Dear Larry,

This letter is written in response to the submission of your invoice dated 11/12/2020. Zion Blue Mountain Church and *Berks Fire and Water Restoration* have a contract to complete all aspects of the fire damage restoration. This information was communicated to you.

You were not given written authorization to perform the work detailed in your invoice. The work you performed is in violation of Section 16 'Tenant's Care of the Property' of your residential lease. Therefore, your request for payment is being denied.

Kind regards,
