10 pm Traditional Candlelight Service

Zion Blue Mountain UCC, Strausstown

We are participating in a *gently used clothing and toy drive* for the Hope Rescue Mission's newest project. Lighthouse, a women's and children's shelter is a project that is vitally needed in our community. Hope Rescue Mission constantly receives phone calls from single mothers with nowhere to go when current shelters are full.

If you are cleaning after the holidays consider boxing up any clothes or toys that are no longer being used in your house. All donations should be clean and in good condition.

Bring your items to the church and place under the coat rack outside the Pre K room in a bag or box, January 5th through January 30th.

Please respect the teachers time outside of school. Parents have continually reached out to teachers in ways that are not Gentle Rain affiliated. The email and phone for the school are listed in this newsletter. Please leave a message and we will respond when we receive it.

Winter Weather
As the weather changes please be reminded that we follow Hamburg Area School District for weather delays or closures.
